PRODUCTION PLANNING COORDINATORS

Applicants should have a Degree in Engineering or
Business Management from a recognised University.
Applicants with part / full qualifications from CIMA or
CIM and work experience of two years in Apparel
manufacturing would be at a distinct advantage.
Selected applicants would be responsible for seamless
planning the challenging work environment and will be
required to coordinate all production related activities
using ERP systems & advanced planning tools such as
"Preactor".

M.I.S. ASSISTANTS

A Degree / Diploma or a relevant qualification from a
recognised University/Institution related to Information
Technology is a prerequisite. Membership or part
qualification in CIMA or a Degree in Business
Management would be advantageous. Applicants
should have exposure to business process analysis with
experience in implementation and maintenance of
Management Information Systems (MIS). He / She must
possess knowledge in ERP systems, database
administration and system administration.

ASSISTANT ACCOUNTANT

An opportunity for a graduate with a Degree in
Accountancy, Business Management or Commerce,
obtained from a recognised University. Intermediate
qualification in ICASL / CIMA / ACCA and a minimum of
two years work experience in a reputed audit /
commercial organisation would be a distinct advantage.

ACCOUNTS ASSISTANT

Applicants should have a Degree in Accountancy,
Business Management or Commerce and / or a part
qualification in ICASL / CIMA / ACCA. Work experience
gained in a reputed audit / commercial organisation
would be advantageous.

HUMAN RESOURCE ASSISTANTS

An exciting opportunity for young entrants to a career
in Human Resources Management. Applicants must
possess the FNW foundation level certificate in HRM.
Relevant work experience in a manufacturing
organisation would be an advantage.

WORK STUDY ASSISTANTS

Applicants should possess the CMI Diploma or a similar
qualification from a recognised University / Institution
with the knowledge and experience in Apparel
manufacturing techniques. Applicants should be able to
implement effective time / method study techniques and
must be adept in people skills. Selected candidates will
be required to demonstrate their ability to 'improve on
the now' and innovate at work.

Ability to communicate effectively in English and
Computer literacy is an essential requirement in all
positions as the selected applicants would have to work
in a multi-national environment.

Excellent career development opportunities in a
pleasant work environment, along with an attractive
remuneration package in keeping with qualifications
and experience awaits selected applicants.
