Founded in 1983, Informatics Group of Companies consists of 07 operating companies with a work force of over 600 employees. The Group has one of the largest IS Organizations in Sri Lanka with ISO 9001:2000 and SEI CMM - Level 4 accreditation. It has developed Software of international repute for Telecom, Insurance, Banking, Government, E-business and the Retail Industry. Informatics also operates its own Private Technology University, offering both undergraduate and postgraduate degrees from British Universities.

The Informatics Group has formed strategic alliances for their IT solutions with Hewlett Packard (HP), Wincor Nixdorf, CISCO, Microsoft, Red Hat, Oracle, PCI, Parametric Technologies and Avid.

To support our global expansion programme, we are looking for a dynamic and high-energy individual to manage its expanding operation in the Banking and Finance Sector.

GENERAL MANAGER Banking and Finance Sector

The Challenge:

The candidate will manage the Informatics Group's business in the Banking and Finance sector. The ideal candidate would have a strong grasp of the local Banking and Finance Sector and their challenges and requirements and should be able to successfully lead and motivate a team of young and dedicated individuals. The candidate would be expected to drive the business in the Banking and Finance Sector, prepare and establish business plans, budgets and targets in consultation with the Board of Directors and the implementation of those business plans to achieve targets. The candidate would directly liaise with the Principals and would be reporting to the Board of Directors.

Requirements:

The selected candidate should have the sales and marketing excellence to achieve targets and the set objectives. While having a technical background would be ideal, this is not a compulsory requirement. The position also carries responsibility for human resource management within the team as well.

The candidate's initiative and the drive to be successful in a fast growing organization and long-term commitment to the company will be some of the key factors considered.

The reward:

A competitive compensation package is on offer for the selected candidate.

For confidential consideration, please send your resume indicating the position applied for together with the names and addresses of two non-related referees within 10 days by email: vacancies@informatics.lk or post to:

Group Director Human Resources and Administration

INFORMATICS (PVT) LTD.
104, Kitulwatta Road, Colombo 08.

The Institute of Chartered Accountants of Sri Lanka

The Institute of Chartered Accountants, Sri Lanka (ICASL) is the Premier National Professional Accounting body of Sri Lanka, which was established in 1959 by an Act of Parliament. The Institute has over 3,500 members and many thousands of registered students.

The business fraternity place a high emphasis on the professionalism and the integrity of our members. We focus on improving educational standards of our students. We also take pride in developing and promulgating Sri Lanka Accounting and Auditing Standards for our nation. We also pioneered in introducing and developing Best Practices on Corporate Governance among the Business Community in Sri Lanka.

The Institute is also in the process of introducing a Quality Assurance Mechanism in Sri Lanka to ensure that high quality of service is delivered by our Members in Practice to their Clients. To achieve this ICASL is in the process of establishing a Quality Assurance Unit.

To establish and to carry out the Functions of the Quality Assurance Unit and other Managerial Positions, we now seek the services of Qualified, Dynamic and Organized Professionals for the following posts:

MANAGERIAL VACANCIES

Quality Assurance Manager

Key Function - Establishing the Quality Assurance Unit and carrying out the tasks assigned by the Quality Assurance Committee / Quality Assurance Board

The ideal candidate is expected to have the following aptitudes:

- Be a member of the Institute of Chartered Accountants of Sri Lanka. Postgraduate qualifications would be a definite advantage.
- Post Qualifying Experience in Practice with a proven track record of displaying exceptional levels of technical skills. Prior Experience in Quality Assurance related work in a firm of Chartered Accountants would be advantageous.
- Be a highly organized and effective team player with good leadership qualities
- Be flexible and reliable in attending all relevant meetings and ensure the timely preparation of reports.
- Good Communication & interpersonal skills and strong desire to assist the Members in Practice to improve their performance.
- Have the ability to be involved with in-depth reading and develop Resources such as Manuals and Guidelines required in developing a Quality Assurance Mechanism under the guidance of the Quality Assurance Committee / Quality Assurance Board.

Technical Manager

Key Function - Be responsible for the technical activities carried out by the Technical Unit and be part of the Technical Development Team. The Manager will carry out the tasks assigned by the Technical Committees / Faculties under the supervision of the Head of Technical.

The ideal candidate is expected to have the following aptitudes:

- Be a member or Passed Finalist of the Institute of Chartered Accountants of Sri Lanka or possess equivalent professional/academic qualification in a relevant field. Postgraduate qualifications would be considered an advantage
- Be highly organized and effective team player with good leadership qualities
- Be flexible and reliable in attending all regularly scheduled Technical meetings and to ensure the timely preparation of reports
- Have the ability to be involved with in-depth reading of technical materials and developing Reports, Statements and Standards. Having experience in carrying out research activities will be positively considered.

CPD / Taxation Manager

Key Function - To manage and focus on the administrative activities of the Continuing Professional Development Secretariat and be responsible for the Technical activities of the Faculty of Taxation and carry out other Faculty activities smoothly.

The ideal candidate should have the following aptitudes:

- Be a member of the Institute of Chartered Accountants of Sri Lanka or possess equivalent professional / academic qualifications in a relevant field.
- Have three to five years of post-qualifying experience with a proven track record of displaying exceptional levels of technical and interpersonal skills.
- Be highly organized and an effective team player with good leadership qualities.
- Be flexible and reliable in attending all regularly scheduled Board Meetings and other meetings and events as required and to ensure the preparation of reports on plans and progress and the recording of Committee decisions.
- Have the ability to motivate, develop and direct staff and students as they work, identifying the best people for the job.

An attractive remuneration package together with fringe benefits will be offered to the right candidates.

Candidates interested in applying for the above positions are requested to forward a comprehensive Resume and contact details of two non-related referees, quoting the position applied for on both the cover letter and envelope (or as the subject of the email). The application should reach us on or before 20th February 2009.
