TO GET THE BEST RESPONSE TO YOUR VACANCY ADS

KPMG

"The best people want to work with the best clients. And the best clients want to work with the best people... Each with a story of their own but who together work with great clients, great people, and in great places. The next chapter of a remarkable success story needs writing. You may want to help write it."

Alan Buckle — Global Head of Advisory, KPMG

IT ADVISORS

KPMG Ford, Rhodes, Thornton & Co. is the Sri Lankan member firm of the KPMG network of independent professional services firms, with member firms operating in 144 countries and territories, comprising of over 137,000 people. Since our inception in 1897, we have been engaged in the provision of Audit, Tax and Advisory services to a large clientele in Sri Lanka.

As part of KPMG's global IT Advisory practice, KPMG in Sri Lanka's IT Advisory Services specializes in all aspects of IT Risk, Controls, Process and Security Management, including the following areas:

- IT Auditing
- Business System Controls Review & ERP Advisory
- IT Attestation & Software Process Improvement (including CMMI & ISO9001)
- IT Project Management
- Governance & Performance
- IT Security, Privacy and Continuity (including ISO27001)

Knowledge sharing is key to our success, as we work in collaboration with our international IT teams across the globe, in advising multinationals, diversified groups and local blue chip companies. Our IT Advisory professionals help clients to achieve improved performance from their IT investments and manage technology risks more effectively, in line with their business goals.

Do you have a passion for leveraging Information Communication Technology towards the enhancement of business whilst working in diverse and multicultural environments and building trust, confidence and professional relationships among our stakeholders? To join our Winning Team we require professionals with an energetic disposition and an enthusiastic interest in IT, together with a flair for business and the following skills and attributes:

- A Bachelor's degree from a recognized university in Management, Information Systems, Computer Science and/or equivalent professional qualification such as BCS/ ACS. Professional qualifications in Accountancy such as ICASL/CIMA/ACCA or other qualifications such as CISA, CISSP, CCNA would be an added advantage;
- Three or more years of IT-related experience, preferably in IT Audit or in the above Advisory areas;
- Excellent analytical skills and judgement, and strong decision-making ability;
- Ability to multitask effectively, whilst meeting tight project deadlines;
- Strong team working skills to lead and motivate team members in a team-oriented atmosphere;
- Effective communication skills both oral and written, including business report writing and presentation skills;
- Excellent customer focussed skills, with the ability to network effectively;
- Flexibility to travel both locally and globally at short notice.

Applicants with lesser or higher qualifications and exposure, would be considered for junior/senior positions. Remuneration will be commensurate with experience and qualifications.

KPMG is committed to equal opportunities employment.

Applications together with detailed Curricula Vitae, including contact details of two non-related referees, quoting the relevant Reference No. ES06/9231, should be forwarded to reach the below address within the next 10 working days:

HR Manager
KPMG Ford, Rhodes, Thornton & Co.
32A, Sir Mohamed Macan Markar Mawatha, Colombo 3
E-mail: esearch@kpmg.com

www.lk.kpmg.com

All applications will be treated with the strictest confidentiality. We will correspond only with applicants short-listed for interviews.
