CHIEF OPERATIONS OFFICER

We are seeking a dynamic, result oriented professional, to steer the organization to extraordinary levels of success in achieving its Vision. You will as COO make a significant and immediate impact on the operational structuring of the business to achieve strategic growth in line with the business plan. The role entails effective management of Trade, Cash, Administration, IT & FOREX Operations. You must be a 'hands on' professional with passion, vision and a strong sense of customer expectation. Working with the CEO & Senior DGM your challenge is to drive and lead the organization and deliver sustainable outcomes with customers and staff.

HEAD OF TREASURY

An ambitious leader, to inspire and lead the team towards extraordinary breakthroughs in challenging times, your role entails supervision and oversight of all dealing transactions for a range of Treasury products/markets to enhance profitability and maintain risk management standards while complying with market Codes of Conduct. The individual will inherit a significant book of clients with a strong pipeline of future business already established. Key to the role is the ability of the successful individual to build strong relationships with other business lines within and outside the Bank. Operating at the Corporate Management level reporting to the CEO, you will have the responsibility for developing strategies to aggressively promote the Bank's Treasury products while maintain the strong client portfolio.

If you believe that you are the right candidate, please forward your resume to:

Head - Human Resources Development, Pan Asia Bank, 450, Galle Road, Colombo 03.

We are an equal opportunities employer that believes in diversity and inclusion.

next Manufacturing (Pvt) Limited, is the leading supplier of high quality knitting and woven wear to our parent company Next PLC. UK, one of Britain's leading high street fashion retailers. We've been in Sri Lanka since 1994, rapidly expanding over the years.

We are constantly on the look out for suitably skilled and talented people to whom we offer great career opportunities. Quite simply we want the best people in the island working in our team.

GENERAL MANAGER - MANUFACTURING

We are looking for a talented General Manager with a proven track record to run our manufacturing operation. This is a senior management position and will suit an outgoing person with excellent analytical and leadership skills.

Your main responsibility will be to ensure that the NML In - house manufacturing operation achieves its budgeted/targeted KPI's and its business & financial objectives. As a General Manager - Manufacturing you will ensure that the plant operates within budgeted operating expenditure, maintains planned efficiency, sustains on time delivery and achieves budgeted income. You will bring with you a creative approach, new ideas and have the ability to manage our team to effect positive change.

Our ideal candidate should have some experience in dealing with UK buyers complemented by very good technical ability across the whole process, whilst possessing a pro-active approach that takes ownership of issues and solutions along the way.

You will need to provide a positive leadership model, consistently demonstrating the values and intent of our brand.

HUMAN RESOURCES MANAGER - TRAINING & DEVELOPMENT

We are looking for a talented and experienced person capable of handling HR functions with more emphasis on training and development function in our manufacturing operation. He/She is expected to plan, organize, coordinate and monitor all activities related to training and development.

The ideal candidate should have excellent leadership and presentation skills with an expertise in modern training techniques. He/she should be able to identify the training needs and bridging training gaps in the company.

A degree or any academic/professional qualification connected with training and development and a minimum of 2 years experience in a similar capacity are prerequisites for this position.

Excellent career prospects with attractive remuneration packages await the right candidates. Please send in your curriculum vitae by e-mail including two non-related referees.
