Snr. Investment Analyst / Investment Analyst

- Brilliant Career Opportunity
- Enhance your Equities Profile
- Leading Name in the Investment Industry

An exceptional career opportunity with this highly successful Investment Research team. An exclusive, high performance workplace setting that offers tremendous career upside and professional development prospects.

The role of Investment Analyst will see you perform extensive research and analysis of listed CSE stocks contributing toward investment portfolio recommendations and allocations.

Essential experience skills and qualifications...

- Proven practical experience gained as an Equity/Investment Analyst with a reputable Banking, Investment Banking, Stock-broking or Funds Management business
- Exceptional quantitative analytical competence (eg. financial / risk modelling, valuation and analysis of listed securities)
- Tertiary qualified in a Financial / Quantitative discipline (with exceptional academic results), with post-graduate studies (eg. Masters, CFA) advantageous
- Advanced IT literacy and the ability to voice opinion as well as contribute within a high performing culture
- Superior intellect, business acumen and interpersonal expertise

To be successful, you must be able to demonstrate a superior working knowledge of stock analysis. Decisive, confident and highly articulate, you will thrive on successful outcomes at all times. Of crucial importance is that you are passionate about investing and not just content with understanding the investment process.

Please include a detailed cover letter with your resume and send to careers@asiacapital.lk or to the

Senior Manager H.R. & Admin,
Asia Capital PLC,
#21-01, West Tower, World Trade Centre, Echelon Square, Colombo 1
