Mphasis is a leading IT services company with expertise in Applications, Business Process Outsourcing and Infrastructure Technology Outsourcing services. With offices across 4 continents and over 37,000 employees we come with unmatched levels of service, quality and talent.

Mphasis supports G1000 companies around the world in the improvement of their business processes through a combination of technology know-how, domain and process expertise. We service clients in Financial Services, Manufacturing, Healthcare, Communications, Media & Entertainment, Transportation & Logistics, Energy & Utilities, Consumer & Retail industries and Governments around the world.

We seek individuals with talent, passion and the will to excel as the winning combination in delivering our services. We build lasting long-term relationships with our clients based on our values of customer centricity, transparency in operations, result-oriented activity and flexibility. We are an equal opportunity employer and encourage applications from people with disabilities and those from economically underprivileged backgrounds. Come contribute, succeed and grow with a dynamic company.
