Go places with the bank where everyone can make their mark

Standard Chartered Bank is an equal-opportunity employer. With more than 115 nationalities represented among our 75,000 employees, everyone has the same opportunity to get to the top based on merit and ability. Make a real difference at the bank with over 150 years' experience in Asia, Africa and the Middle East.

Head of Corporate Affairs

Standard Chartered Bank, a financial entity with global reach, seeks a dynamic and visionary individual to Head their Corporate Affairs division. This experienced individual will be required to support the country's corporate positioning and reputation through management of the group's key messages and other collateral; media, Government and regulator relations. The job requires you to be accountable for the development, implementation and management of the Sri Lanka Corporate Affairs strategy and ensure alignment with the overall country strategy while protecting and enhancing the bank's reputation.

The ideal candidate should have:

- Exceptional writing and project management skills.
- Understanding of banking and finance procedures.
- Ability to influence and communicate at all levels within the organization.
- Ability to work under pressure to tight deadlines.
- Government relations experience.
- Ability to write speeches and briefs under time pressure, for top managers in the bank.
- Ability to identify opportunities, distil complex business issues to stakeholders and build political relationships.
- Ability to provide political counsel to senior executives.
- A recognized Degree in Communication or a similar field.
- Minimum of 5 years experience in a similar role.

The selected candidate will also be responsible for:

- Team Leadership - To motivate, engage and coach the Corporate Affairs staff, to ensure consistent delivery of business goals.
- Government Relations - Share expertise and act as the key External Communications Centre.
- Sustainability - Develop, implement and measure the sustainability of effective communication strategies. Engage key external stakeholders to reiterate our leadership position. Manage the bank's strategic partnerships.
- External Communications - Ensure effective communication strategies and processes are developed, implemented and measured for media and other key external groups.
- Internal Communications - Ensure effective communication strategies and processes are developed, implemented and measured for internal communications and monitor the daily media.
- Brand Management - Build corporate brand plans and ensure that the Standard Chartered Bank brand is protected, enhanced and in line with the country positioning strategy.
- Financial Analysis - Ensure costs are managed and within budgets.

JOIN US TO SHIMMER & SHINE?

The National Gem & Jewellery Authority (NGJA) is keen to promote Sri Lanka as a destination for world-class quality gems, precious stones and jewellery. At present, Sri Lanka is moving towards a green & ethical Gem & Jewellery industry. As a selected candidate you will be in a position to develop specific aspects of the industry and contribute to the industry's developments, which reflect the green & ethical practices as a whole and foster Sri Lanka's position in the global sphere. As applicants, you must show a clear desire to be involved within this industry and have the vision and dynamism and reach for excellence.

Core Requirements
All applicants must be below 30 years of age and be proficient in English as the position entails direct communications with personnel from around the world.

Trainee Gemmologists
Applicants must also hold a BSc. degree with Geology/Chemistry/Physics as a subject.

Trainee Chemists
Applicants should possess a Chemistry special degree or be a graduate who has pursued Chemistry as a subject or Graduates from the Institute of Chemistry (Ceylon) with a good standing.

Perks of Position
The successful candidates will receive a world-class and in-depth training of 1 year duration and will be paid a monthly allowance throughout the training period. On the successful completion of the training process, students will receive a Certificate in gem identification & valuation/chemical analysis.

Selected candidates will be given the added benefit of further practicing their area of study at the National Gem & Jewellery Authority, including international exposure.

Application Process
Kindly send in your Curriculum Vitae with the names and details of two non-related referees to reach us on or before 25th of September 2010. Please address same to:

Chairman & CEO
National Gem & Jewellery Authority
No. 25, Galle Face Terrace, Colombo 03.
