Have you got
What it takes?

Visual FoxPro Developer / Tech Lead

Eurocenter DDC Ltd is a software engineering company of international repute, with offices in Colombo and Oslo, Norway. We have been in operation since 2000 and are a BOI approved company. We provide software services to the European market and have built a reputation of being a high quality and reliable software company among our customers. Our Processes conform to ISO 9001:2008 and CMMi standards.

We are actively seeking a high caliber individual competent in Visual FoxPro to fill an immediate vacancy. He/She must have in-depth experience with developing and designing Visual FoxPro solutions. The ideal candidate should also possess experience in improving the scalability, performance and support for existing Visual FoxPro solutions. The successful candidate must have excellent communication skills as he/she will be required to deal with overseas clients directly and be able to travel overseas at short notice.

Job Requirements:

- 5 years experience in developing Visual FoxPro Systems and Solutions.
- Proficient in MS Visual FoxPro 8/9.
- Exposure with the System Development Life Cycle, Data Base administration, Support of Implemented Systems.
- Very good knowledge of DBMS and SQL.
- Experience in POS domain is mandatory.
- Knowledge in Object Oriented Programming is an advantage.
- Strong analytical and design skills.
- BSc in Computer Science/Information Technology or equivalent.
- Excellent communication skills (written and verbal).

An attractive package awaits the right candidate. Please e-mail your resume with a recent photo and two non-related referees, stating "Visual FoxPro Developer/Tech Lead" in the subject line within 10 days of this advertisement to careers@eurocenter.lk. Only shortlisted candidates will be notified.

Strengthen your future with the world's local bank

At HSBC, we thrive on local understanding and people. We believe it is important to be an integral part of a country's culture. This is why we have more than 300,000 employees serving over 100 million customers in 87 countries and territories around the world. Thus, it is our on-the-ground local knowledge that sets us apart as the world's local bank. As an international bank, we believe this expertise and understanding is precious. We are looking to strengthen this further. This is where you come in. We are looking for an individual with the capability of adding value to and overlooking our Financial Reporting and Taxation division.

Manager - Financial Reporting and Taxation

Key responsibilities

Reporting directly to the CFO, you will overlook all aspects of Financial Accounting, External and Regulatory Reporting, Financial Control and Taxation for both Sri Lanka and Maldives. This would include the management and development of Financial and Regulatory Reporting Policies and Operational / Transactional activities. You will also be responsible for delivery of all Financial / Regulatory Reporting and statutory requirements / output within both entities. Whilst ensuring financial controls are in place for all financial matters, as Manager- Financial Reporting and Taxation, you will manage tax output and assure the delivery of a professional, effective and responsive tax service. The job also requires you to interact and communicate with external stakeholders such as auditors and regulatory bodies.

Qualifications, skills and experience

- A Professional qualification / membership in accountancy, preferably in ACCA (UK), ICASL
- A minimum of 5-8 years work experience in finance, with at least 2-3 years at a managerial level
- Expertise in Financial Accounting / Reporting and Taxation is a must
- Excellent communication and interpersonal skills
- Experience of working with and influencing regulators while effectively maintaining a positive relationship
- Experience of creating, developing and leading a large team
- Strong leadership and management capacity as well as the ability to develop and motivate employees
- Previous audit experience will be an advantage

If interested, send in your resumé to career@hsbc.com.lk, indicating the position applied for, on or before 13 March 2011.
