## Java/.NET Tech Lead

Eurocenter DDC is an ISO 9001:2008 and CMMi certified company specializing in delivering High Quality, High-End software services for the global market. With offices in Colombo and Oslo, Norway, Eurocenter has an outstanding track record in the successful delivery of over 100 software projects. We specialize in providing Product Engineering Services (Development and Testing Services) to Independent Software Vendors (ISVs).

**The Role**

We are currently seeking to fill in a Java/.NET Tech Lead position for enterprise products. You should be an active, intelligent problem solver with strong analytical skills along with the ability to think clearly and independently. You must be a high caliber individual, competent and well experienced in Microsoft/JEE technologies and will lead a strong and dynamic team, building state of the art enterprise solutions catering to the global market.

**Job Requirements:**

- BSc/MSc degree in software engineering or equivalent
- 5+ years of extensive hands-on experience in .NET environment / JEE application development, preferably professionally certified
- Experience in various enterprise integration methods, software protocols, algorithms and design patterns
- Excellent research and troubleshooting skills
- Excellent communication (written and verbal) and interpersonal skills
- Exposure to SCRUM based processes will be advantageous

As we cater to the European market, you will be required to interact with our European customers and should be willing to travel overseas at short notice. You will receive an attractive remuneration package on par with industry standards along with other fringe benefits.

If you are confident that you are the ideal candidate for this position, e-mail your resume with details of two non-related referees and a recent photograph of yourself to [careers@eurocenter.lk](mailto:careers@eurocenter.lk), stating "Java/.Net Tech Lead" in the subject line within 10 days of this advertisement. Only shortlisted candidates will be notified.
