Making a difference

Ericsson is a world-leading provider of telecommunications equipment and services to mobile and fixed network operators. Over 1,000 networks in more than 180 countries use our network equipment, and more than 40 percent of the world's mobile traffic passes through Ericsson networks.

We are on the search for highly motivated and dynamic individuals with exceptional inter-personal skill to join our team in Sri Lanka. The ideal candidate should secure short and long-term profitable business for Ericsson through proactive business development based on fundamental understanding of the customers' business, operations and objectives. Actively manage internal resources to deliver efficient and effective end to end solutions allowing seamless transition from sales to operations. Act with authority in order to develop both internal and external relation/s in order to actively contribute to making customers and Ericsson successful.

Qualifications

- Professional Degree and MBA/ MSC is a plus
- Minimum 5 years relevant experience and at least 3 years of them within the telecom muni-cation industry.
- Ability to demonstrate leadership and also work in a team.
- Ability to adapt to change and manage stress
- Fluency in English and ability to communicate effectively and efficiently.
- Experience in Sales & Marketing is an advantage.
- Knowledge of the local Telecom market and the global Telecom industry is essential.
- Knowledge of Ericsson solutions and offerings as well is an advantage.

The successful candidate would be provided with a competitive remuneration package on par with industry standards and other fringe benefits. Please forward a detailed CV with your contact number and contact details of two non - related referees to reach us within 10 days of this advertisement.
