**Chief Finance Officer** 01 position

Our client is the sole provider of Superannuation services in Fiji, with the prime role of providing financial security and quality of life to its members during their work life and retirement. Applications are invited from suitably qualified and motivated persons for this position.

Reporting to the Chief Executive Officer, you will be part of the executive management team and will manage the finance division providing financial services and advice to the executive management, Board and other functional areas. At least 10 years experience in a similar capacity, your key outcomes will be:

- Effective division managed through the company performance management system.
- Informed Executive Management, Board and Members.
- Statutory and operationally compliant (company financial).
- Leadership of the finance division.
- Long term operational and strategic planning, execution, contract negotiations and project finance.
- A developing and growing finance division.

**Key Attributes & Requirements:**

- Degree in Accounting and Finance and/or Business and/or Commerce. A Masters degree in Business and/or Commerce is desirable.
- Chartered Professional Accountant Membership.
- Demonstrate good verbal and written communications skills.
- Demonstrate integrity by modeling the Funds vision, values and ethical standards.
- A team player with good interpersonal skills.
- Ability to work under pressure with high output standards.
- High level of analytical skills with the ability to think laterally and the flexibility to work in an environment of constant change.
- Understanding of the compliance and regulatory environment across multiple jurisdictions.
- Goal-driven/competitive, with desire to exceed goals and targets, sound business judgment and the ability to represent the group in the financial community.

**This position includes an excellent career progression along with an attractive remuneration package as per company policy & market norms.**

**VACANCY  
MANAGER - FACILITIES & MAINTENANCE**

We are a wholly Sri Lankan owned Company providing vital infrastructure facilities to financial institutions in Sri Lanka and is a highly technology driven Company with an annual turnover in excess of Rs.400 million. Due to the expansion plans of the Company and large scale new projects launched, we are seeking to strengthen our professional team and engage a high caliber person to fill the above vacancy.

This is a key position in our structure directly reporting to the Head of Operations and will entail the management of services and processes that support the core business of the Company, ensuring the optimum working environment for its employees and their activities. For this reason the selected candidate will be involved in both strategic and day to day operations, particularly in relation to infrastructure, buildings, premises, equipment and support services.

The ideally suited person for this post will be a graduate from a recognised University in Engineering and/or have equivalent qualification from a recognised professional body. Experience in handling Civil Engineering projects, maintenance of precision air conditioners and power systems will be a advantageous.

The following, among others, will form part of the duties of the selected candidate:

- Ensuring availability of the engineering services related to premises, equipment, facilities, etc, at the optimum level
- Planning, directing and managing of improvements to equipment, facilities and infrastructure

Ideally possessing over 5 years experience in a similar position, the candidate we are looking for will be results oriented and dynamic. He/she will also have good leadership and coordination skills and possess excellent communication skills and be a team player. Candidates should be over 35 years of age but not over 50 years.

An attractive salary and benefits package and other perquisites commensurate with industry standards await the selected candidate.

Applications giving all relevant details of qualifications, current and past employment and the names and addresses of 2 non-related referees, should be sent within 7 days C/O:
