

Employment

Acme Packaging Solutions (Pvt) Ltd.

Acme Packaging Solutions (Pvt) Limited is a subsidiary of Acme Printing & Packaging PLC, Sri Lanka's largest manufacturer of flexible packaging. The recently set-up company is equipped with a state-of-the-art modern factory located in Pannala. The factory's main product lines are printed flexible packaging materials, which are used in the confectionery, pharmaceuticals, soaps and detergents companies.

We require a results oriented person for our **plant located in Pannala** as the

General Manager - Factory

- ❑ The ideal candidate would be an electrical or mechanical engineer around 40 years of age preferably with some post graduate management qualifications, such as an MBA, residing or willing to re-locate in close proximity to Pannala.
- ❑ He should have at least 10 years of experience in a management position in a manufacturing company and be thoroughly conversant in all aspects of scheduling production, factory administration, quality control, people management and in general, be able to run a medium sized operation.
- ❑ Since the flexible packaging materials manufactured are of a very high quality standard, it would be beneficial if candidates are aware of the high standards set by multinational buyers.
- ❑ Must be willing to work hard, to lead a small management team, to be flexible and to meet tight schedules and quality standards set by the customers.
- ❑ An attractive remuneration package which includes housing, transport and a performance linked bonus scheme awaits the right candidate.

Forward your complete resume with contact details of non-related referees to reach us within 7 days of this advertisement.
