Calling for Proposal COUNTRY ANALYSIS

OXFAM IN SRI LANKA

Oxfam has a long history of development work in Sri Lanka spanning nearly 4 decades and has seen many changes in the scope and structure of its work. There are three Oxfam affiliates working in Sri Lanka at present – Oxfam Australia, Oxfam Great Britain and Oxfam Italy, which will move towards a Single Management Structure, due to take effect in March 2013.

PURPOSE OF CONSULTANCY

A Joint Country Strategy for all three Oxfam affiliates in Sri Lanka is to be developed, to define our collective goal, objectives and strategy for the future. The strategy will cover all Oxfam work in Sri Lanka and will describe how Oxfam will work to make a sustainable and long-term impact on poverty. The strategy will bring together the different development programs that each Oxfam affiliate has been engaged in. Accordingly, in relation to the finalization of the said Country Strategy, the Country Analysis will be one of the core base documents and is expected to bring out the below outcomes.

The Country Analysis will

- Provide a broader understanding of the country context by identifying the root causes of poverty and other development challenges and its effects on the population, particularly on vulnerable and marginalized groups such as women, minorities, migrants and displaced persons.
- Help to identify the most appropriate role for Oxfam to play, given its organisational strengths and the range of other actors within the country.

TIMELINE: ONE MONTH (11 JUNE - 10 JULY 2012)

REQUIRED KNOWLEDGE AND EXPERIENCE

1. Masters degree in development studies, economics, political science, public policy and/or other relevant fields.
2. Minimum of 10 years of work experience in the development field.
3. Excellent command in written and spoken English, and the ability to understand and communicate in Sinhala and/or Tamil is essential.

HOW TO APPLY

Interested individuals and organizations should obtain the Terms of Reference by emailing jobs.lk@oxfam.org.au indicating "TOR FOR COUNTRY ANALYSIS" as the subject. Please forward the proposal to Human Resource Coordinator, Oxfam Australia, Sri Lanka Field Office, 15, Rohini Road, Colombo 6. OR recruitment.lk@oxfam.org.au
Closing Date for Submission of Proposal: 30 MAY 2012
