ENVISION WITH A PURPOSE

Purpose drives you to discover a new future, and carve out your role in it. What is your purpose? To lead with a vision? To stand out from the norms? To seek the thrill of a challenge? If your purpose is to find your truest potential, then this is your call.

MAS IT is the Centralized IT Shared Services Division for MAS Holdings, providing consulting, development, support and training to MAS business units worldwide. A majority of our businesses use SAP as their core ERP system, and MAS IT has a dedicated unit to manage SAP related deliverables. Additionally, MAS IT partners with business units to provide a range of value adding business solutions and services, supporting evolving technology and communication requirements. MAS Holdings is the first company in Sri Lanka to run SAP and continues to embrace new technology.

MAS Holdings is an innovation driven company focusing on manufacturing, lifestyle and fashion. The group provides IT and SAP related solutions to apparel manufacturers worldwide. MAS Holdings also owns amanté – Sri Lanka's very first international lingerie brand, offering elegance, comfort and value to the modern Asian woman.

Invest in your future with us.

Senior SAP Solutions Consultant–Finance & Controlling

Provide functional and technical expertise in developing innovative business solutions in the area of SAP FICO (Finance and Controlling).

- Provide support and maintenance of solutions provided whilst working closely with other technical and functional resources where there is integration with other SAP modules and business processes
- Manage projects in related areas
- Train end users and ensure all solutions and processes are documented
- Implement best practices whilst ensuring required controls are in place to minimize risk to the organization

Profile

- A finance qualification (CIMA/CFA/ACCA) and/or a degree in Finance
- SAP Certification in Finance and/or Controlling
- Operational experience in configuring and supporting SAP FI and CO modules preferably in AFS
- Experience in a minimum of 4 full cycle implementations, including integration with other SAP modules
- Business experience in the apparel industry will be an added advantage
- Excellent communication skills in English, good interpersonal, presentation and documentation skills
- A proven self-starter and team player, able to work with a range of people to meet deliverables

Submit applications with a passport size digital photograph, and names & contact numbers of two non-related referees within 15 days of this advertisement, by email to GroupHr@masholdings.com ("please state "Senior SAP Solutions Consultant–Finance & Controlling" in the subject line when applying).

We are an equal opportunity employer and welcome all qualifying candidates to join our team of MAS Professionals.
