Our runway is cleared for take off

AMPHIBIAN PILOT - CESSNA T206H

If you are passionate about aviation and committed to service and safety, we may have a job for you.

With 8 years experience over the skies of Sri Lanka and a brand second-to-none, Deccan Aviation Lanka is the market leader and the only domestic airline operating both helicopters and aircraft to all part of the country.

We are on an aggressive expansion drive, and are adding a new Cessna T206H amphibian aircraft with Garmin G1000 avionics suite and additional helicopters in the months ahead.

Deccan currently operates to over 400 helipads and 13 airfields, and the new aircraft will allow us to expand to all existing and to be developed waterdromes in Sri Lanka – a capability unmatched in domestic aviation.

Requirement:

- CPL IR with a class 1 medical
- Minimum 500+ hours total time
- SES rating with float experience preferred but is not a prerequisite, training will be provided
- Strong customer focus with the ability to anticipate customer needs
- High standards for excellence, service and professionalism

If you think you have what it takes, please e-mail your resume to hr@simplify.com.

All applications are treated with the strictest confidentiality.

Deccan Aviation Lanka
