THE WORLD BANK

EXTENDED TERM CONSULTANT SRI LANKA

Background:

The World Bank is working with the Government of Sri Lanka to reduce poverty and accelerate economic growth in Sri Lanka. South Asia Environment, Water Resources and Climate Unit (SASDI) of the World Bank is seeking to recruit an outstanding Extended Term Consultant, located in Colombo. The assignment is for an initial period of one year, with the possibility of extension to a second year.

Duties & Accountabilities:

SASDI is seeking a highly qualified person to contribute to the Unit's work on environmental business lines, especially on safeguards/environmental management of the World Bank financed operations. She/He will be part of a dynamic team of environmental specialists. He/she will also provide technical expertise on a variety of environmental issues related to World Bank operations.

Competencies:

- A minimum of Masters Degree in a relevant environment-related discipline and 5 years of directly relevant experience;
- Sound knowledge on development challenges particularly related to environmental sustainability in Sri Lanka as well as the South Asia Region
- Familiarity with environmental policies, strategies, institutions, and regulations of Sri Lanka.
- Depth in at least one area: natural science; water resources; natural resources; agriculture; etc.
- Familiar with World Bank environmental policies and environmental safeguards compliance requirements
- Excellent oral and written skills in English; Sinhala and/or Tamil is essential

Details (Vacancy #.121355) are available in the World Bank Careers website: www.worldbank.org/careers. All applications must be submitted through this website. The World Bank Group is committed to achieving diversity in terms of gender, nationality, culture and educational background. Individuals with disabilities are equally encouraged to apply.

Closing date is

June 24th 2012. Only Shortlisted Candidates will be contacted.
