Lanka Financial Services Bureau Ltd

OPPORTUNITIES

Lanka Financial Services Bureau Limited (LFSBL) was incorporated to create, manage and own a common gateway for 'Society for Worldwide Interbank Financial Telecommunication' (SWIFT) messages. Its primary objective is to share infrastructure and manage the SWIFT messaging of the members. The share ownership of Lanka Financial Services Bureau Ltd., includes the Central Bank of Sri Lanka, leading Banks, Primary Dealers and the Central Depository System (Pvt) Ltd.

LFSBL is now embarking into a new path of providing "Total SWIFT Solutions" to both onshore and offshore financial institutions. In order to support the existing team, we are looking for an energetic, committed and purpose-driven individual, who can play a key role as the company moves to the next level. This is a key position and reports directly to the GM/CEO.

Position: Network Administrator – SWIFT Operations (Core Process 2)

PROFILE

- Gender & Age: Male, between 25-30
- Diploma in IT from a recognised institution or equivalent qualification with MCSE or MCSA. A degree in IT/Computer Science would be an added advantage
- Minimum of 2 years experience in a similar field of data communications and networking
- Ability to handle customer requests, incident reporting online and respond via coordination with service providers
- Commitment to achieve required standards, in terms of response time & providing solutions on incidents reporting
- Ability to communicate clearly and precisely in key languages

DUTIES

- To be the contact point at the Help Desk level for users with regard to SWIFT connectivity & messaging-related technical issues
- To provide technical guidance to the users on data communication, networking & other infrastructure-related issues and providing assistance and guidance to Managed Service Provider while supervising all activities
- Plan out test environment with users
- Identify SWIFT software upgrades and implement them
- Engage in implementing and testing Business Continuity Plans
- Help Desk troubleshooting

SKILLS

- Skills & experience in managing Windows Server & Cisco Routers (Microsoft & Cisco certified, MCSE/MCSA – Windows Server 2008, CCNA qualified)
- Managing troubleshooting environment at the Help Desk level
- Ability to work and coordinate multi-task activities with multiple users
- Planning & implementation of projects short-term, while coordinating with relevant stakeholders
- Supervision, monitoring & good communication skills
- Ability to identify risks, challenges & opportunities

If you possess these skills and qualifications & are willing to work in an interactive self-disciplined environment, please submit your CV indicating the names and addresses of two non-related referees within 2 weeks of this advertisement, to the below address or to careers@lfsbl.com. Please mention the "Position" on the top left corner of the envelope or in the header of the e-mail.

The General Manager/CEO,
Lanka Financial Services Bureau Ltd.,
53, D. S. Senanayake Mawatha,
1st floor, HNB Borella Branch,
Colombo 08.
